ThunderMax Videos

May 2009

ThunderMax sales and happy customers are growing and growing - even in this economy! The ThunderMax EFI System with AutoTune delivers uncompromising performance, and you don't have to be a rocket scientist to install it, program it or make adjustments.

Don't take our word for it, see what our customers are saying!

[The ThunderMax AV Channel](#) on You Tube™ hosts videos produced by Zipper's Performance Products, including:

1. ThunderMax Installation on a Touring Bike
2. Industry Testimonials from V-Twin Expo 2009
3. Customer Testimonials, Filmed On Location

Take a look at the samples below, or browse the ThunderMax AV Channel [Here!](#) Zipper's Performance Products has new videos on the way, and customer videos are added weekly.

ThunderMax Installation Videos

ThunderMax with AutoTune Installation Video Series: Installation guide for all 2002-2007 Touring H-D Models.

Watch as a Zipper's Performance Pro installs the ThunderMax system. 2002-2006 models may require the installation of oxygen sensor bungs in head pipes (not shown). *The full video (parts 1 & 2) will be available for download from [www.Thunder-Max.com](#) very soon!*
