QUICK LINKS

Does Your Motorcycle...
Run too hot?
Backfire on deceleration?
Accelerate slowly and lack power?

Come see the Simple Solution
at Delmarva Bike Week 2010!

Learn how you can get a smoother, cooler, and better running bike with the ThunderMax System. The ThunderMax system is available for all EFI H-D® Big Twins, Touring Models, Sportsters®, V-Rods® and XR1200s®. Got a Throttle-by-Wire bike? We've got a ThunderMax for you.

ThunderMax: EFI Made Simple

The ThunderMax Crew from Zipper's Performance will be located at Harley-Davidson® of Ocean City during Delmarva Bike Week. We will be on-hand to talk to your about your EFI Harley®, and answer any questions you may have about the ThunderMax system.

Take the ThunderMax Challenge - Buy a ThunderMax, Try it for 30 days, and if you're not completely satisfied, we'll buy it back!

Zipper's Performance manufactures Red Shift camshafts, Max Flow air filter kits and our legendary Muscle engine packages for H-D® motorcycles. Looking for a performance boost on a tight budget? Ask us about our money-saving Zip Kits (Max Flow air filter kit, exhaust and ThunderMax ECM). They pack a lot of ponies under one part number - no dyno tuning required!

Are you already equipped with a ThunderMax?

Updates are available for 2008-2010 Touring models!
Stop by the ThunderMax rig for info and to get the updates.

Do you want to tell the world about your ThunderMax?
Stop by the trailer!

Stop by the ThunderMax trailer and tell us about your experience. Zipper's Performance will be filming new customer and industry testimonials for our promotional videos, and we'd love to include your story. View some of our testimonials by clicking below:

While we do most of our filming during the event, if you prefer to schedule your session with our marketing department, please email the following information to: Rosie.V@ZippersPerformance.com

1. First and Last Name
2. Contact Phone Number
3. Address, City, State
4. Year and Model of your bike
5. Any modifications to your bike (cams, pipes, air cleaner, eng kit etc)
6. How long have you had your ThunderMax installed?
7. Can we film you with your bike during the event?
