ThunderMax: EFI Made Simple

Learn how to get a smoother, cooler, and better running bike with the ThunderMax System. The ThunderMax system is available for all EFI H-D® Big Twins, Touring Models, Sportsters®, V-Rods® and XR1200s®. Got a Throttle-by-Wire bike? We've got a ThunderMax for you!

The ThunderMax Crew will be located at Boswell's Harley-Davidson during the Music City Bike Fest. Zipper's Performance and Thunder Heart Performance will be on-hand to talk to you about your EFI Harley®, and answer any questions you may have about the ThunderMax system.

Are you already equipped with a ThunderMax?

Updates are available for 2008-2010 Touring models! Stop by the ThunderMax booth for details and to obtain the updates.

Testimonial Received: 07/28/2010

"Freedom Cycle in Delaware highly recommended the ThunderMax ECM, over any competitive product... When I got back on the bike, I literally thought it was a different bike! UNBELIEVABLE! The throttle response is amazing, the idling is very smooth and my gas mileage improved... I recommend anyone looking for a vast performance improvement to purchase the ThunderMax."
