

No One Knows ThunderMax® like Zipper's Performance...

*Get Your ThunderMax® from the Leader in
Electronic Fuel Injection!*

Since its inception in 2003, Zipper's Performance Products has been heavily involved in the development of ThunderMax® Electronic Fuel Injection components. Zipper's has dedicated thousands of research and development hours assisting Thunder Heart Performance in the refinement of this industry-leading product. Now, ThunderMax® EFI products are the most sought-after EFI products available for the performance V-Twin market.

Put Zipper's Performance to Work for You!

From one motorcycle enthusiast to another, Zipper's Performance Products is committed to your happiness as a rider and strives to excel beyond your expectations. Zipper's Performance knows Harley-Davidson® motorcycles like no other company, and will help you pick the right performance parts for

how you ride. At Zipper's, you'll receive...

A Pre-Programmed ThunderMax Unit for Your Bike Upon Request
Over 30 Years of Performance Expertise and Quality Advice
An Unwavering Commitment to Customer Service
Some of the Best Performance Products Available, Made in the U.S.A.

NOW SHIPPING - New ThunderMax® Products

ThunderMax® is the most powerful, self-tuning fuel management system on the market. Designed specifically for EFI H-D models, ThunderMax® represents the future of smart technology. Whether installing ThunderMax® on a stock injected bike, or upgrading to performance pipes, free breathing intake, cams or other aftermarket parts, ThunderMax® will continually tune any Fuel Injected Harley® engine for maximum performance.
